

Slides to Introduce Computer Exercises

Instructions

Use these optional computer exercises when teaching Microsoft Project from the *Learn by Doing Microsoft Project Basics* workbook in conjunction with the *Learn by Doing Project Management* workbook.

Simply add the following eight computer exercise slides to the end of the respective six topic slide presentations according to the following:

Topic 4.2 – add 4.2.3 & 4.2.4

Topic 4.5 – add 4.5.3 & 4.5.4

Topic 4.3 – add 4.3.4

Topic 4.6 – add 4.6.2

Topic 4.4 – add 4.4.4

Topic 5.2 – add 5.2.3

The computer exercise slides direct students to the appropriate pages in the *Learn by Doing Microsoft Project Basics* workbook.
